**Fasten your seatbelts for a wild ride through an underground cabaret.**

*The Night of the Black Cat* takes place on a magical night when a collection of France's most famed artists travel through time to entertain in the salon of Germaine de Stael. It's a provocative & fun-filled musical set in the French Cabaret "Le Chat Noir" in Paris 1881, featuring

*\*silk dancers*

*\*flamenco*

*\*sultry siren chanteuse*
